

## EC-Declaration of Conformity

Manufacturer: Gebhardt Ventilatoren GmbH

Address: D -74638 Waldenburg  
Germany

Product designation: **Process air fans with direct drive and casing** for operation in explosion hazardous areas.

Evaluation: The unit comply to ATEX-directive 94/9/EC by designed safety and safe execution according to DIN EN 13463-1 and -5, and EN 14986

Category: **Group II, category 3** (execution see type label)

**Fan types P2M, P4M, P4K, P9M\***  
(\* casing executions L, M, N only)

The labelling of the fans is made as follows:

completed with the category- and temperature indication, e.g.  
inside: II 3GD c IIB T 200 °C  
outside: II 3G c IIB T3

The labelled products conform with the prescriptions of the following European directive:

**94/9/EG:** Directive 94/9/EC of the European parliament and council of 23. March 1994 for standardisation of the legal prescriptions of the member states for apparatus and protection systems and their adequate use in explosion hazardous areas.

Applied, harmonised standards, specially: EN 294, EN 1127, EN ISO 12100, EN 13463,  
EN 14986, EN 60079

This declaration of conformity is only applicable to fans assembled in the factory, with drive, and tested. In the case of modifications at the fan the conformity has to be newly confirmed.
